

Załącznik nr 1
do umowy nr UM_RO.042.1.....2015
z dnia września 2015

PROGRAM SYMPOZJUM

17.09.2015 CZWARTEK

Łazienki II Resort Medical & SPA
(Braci Raczyńskich 6 Sreet)

7.30 - 9.00 - Rejestracja uczestników

9.00 - 9.30 - **Uroczyste otwarcie (Sala Pałacowa)**

Prof. dr hab. Wojciech Kapelański
(UTP University of Science and Technology in Bydgoszcz – Poland)

9.30 - 10.45 - **I Sesja Plenarna**

Przewodniczący: Mr. Michael Morrissey (Budget Director and Senior Advisor for Fiscal Policy for Lt. Governor Dan Patrick – USA)

“Sowing seeds for globalizing academic collaborations ”

Donald G. McGahan, Barry D. Lambert
(Tarleton State University – USA)

“Current concepts on mechanisms regulating embryo-maternal dialogue during early pregnancy in the pig”

Agnieszka Błitek
(Institute of Animal Reproduction and Food Research of Polish Academy of Sciences in Olsztyn – Poland)

“The importance of beekeeping, production and beekeeping organizations in Turkey”

Aziz Gül
(Mustafa Kemal University – Turkey)

10.45 - 11.15 - **Przerwa kawowa**

11.15 - 12.30 - **II Sesja Plenarna**

Przewodniczący: Dr Péter Balogh (University of Debrecen – Hungary)

“Healthy plant – healthy people”

Dariusz Pańka
(UTP University of Science and Technology in Bydgoszcz – Poland)

“Invasive feral swine in North America: history, impacts, and management ”

Kimberly A. Guay, T.W. Schwertner, J.W. Burger, A. T. Laurent
(Tarleton State University – USA)

“Aspects for management of litters from high performance sows”

Martin Wähner
(Anhalt University of Applied Sciences in Bernburg – Germany)

12.45 - 14.00 - **Obiad (Restaurant of the Łazienki II Resort Medical & SPA)**

- 14.45 - 18.00** - **Czas wolny.** Proposals for the organisers in free time
- Walk through the Brine Park with a guide
 - Walk through the green park with flower carpets and fountains: *Jaś i Magosia*, *Żabka* and *Grzybek*

- 19.30 - 02.00** - **Uroczysta kolacja (Sala Pałacowa)**
Restaurant of the Łazienki II Resort Medical & SPA
Concert of „Żuki” band

18.09.2015 **PIĄTEK**

Prezentacja doniesień naukowych w Sekcjach
(Deliberations in Sections, parallel in hours 9.00-12.30)

Łazienki II Resort Medical & SPA

Sekcja I Prezentacja doniesień z doskonalenia produkcji zwierzęcej (Sala Pałacowa)

- *Otwarcie: Dr inż. Hanna Jankowiak*
(UTP University of Science and Technology in Bydgoszcz – Poland)
Dr hab. inż. Arkadiusz Pietruszka
(West Pomeranian University of Technology of Szczecin – Poland)

I Sesja Prezentacja doniesień naukowych

Przewodniczący: Prof. dr Martin Wähner (Anhalt University of Applied Sciences in Bernburg-Germany)
Doc. Ing. Miroslav Rozkot (Institute of Animal Sciences in Prague – Czech Republic)
Mgr inż. Martyna Małopolska (University of Agriculture in Krakow – Poland)

9.00 - 10.30

“Gilt growth associations with sow lifetime performance”

Angéla Soltész, Péter Balogh
(University of Debrecen – Hungary)

“Evaluation of feeding a dioctahedral smectite clay to dairy cows for the reduction of aflatoxin excretion in milk”

Ashley D. Thomas, Cody R. Maki, Amelia Romoser, Roger B. Harvey, Hugo A. Ramirez Ramirez, Timothy D. Phillips
(Tarleton State University – USA)

“Effect of season on sperm quality in fresh and cryopreserved boar sperm”

Jan Lipenský, Soňa Frydrychová, Alena Lustyková, Eva Václavková, Miroslav Rozkot, Jaroslava Bělková
(Institute of Animal Science in Prague – Czech Republic)

“Determination of contents selected metals in honeys from regions with different levels of contamination”

Katarzyna Tubisz, Aleksandra Roślewska
(UTP University of Science and Technology in Bydgoszcz – Poland)

“Concentration of testosterone between individual neuroreflexive types of barrows and gilts in relation to selected variables slaughter”

Petra Komová, Juraj Petrák, Ondrej Bučko, Ondrej Debreceni
(Slovak University of Agriculture in Nitra – Slovakia)

“The effect of selected staining techniques on bull sperm morphometry”

Magdalena Czubaszek, Małgorzata Szostek, Marta Król, Katarzyna Andraszek
(Siedlce University of Natural Sciences and Humanities – Poland)

"Variability and possible influences on the length of tails in newly born piglets taking into account the frequency and the level of vertebral anomalies"

Thomas Kunze, Heiko Scholz, Martin Wähner
(Anhalt University of Applied Sciences in Bernburg – Germany)

"Impact of anaerobic digestion on the content of nitrogen in pig slurry and biomass used as a substrates in agricultural biogas plants"

Michał Grudziński, Anita Kołodziej-Skalska, Arkadiusz Pietruszka
(West Pomeranian University of Technology of Szczecin – Poland)

10.30 - 11.00 - Przerwa kawowa

II Sekcja Prezentacja doniesień naukowych

Przewodniczący: Dr hab. inż. Daria Murawska (University of Warmia and Mazury in Olsztyn – Poland)
Dr inż. Eva Václavková (Institute of Animal Sciences in Prague – Czech Republic)
Mgr inż. Karina Frątczak (UTP University of Science and Technology in Bydgoszcz – Poland)

11.00 - 12.30 - „Kindergarten” keeping-system in farrowing house: effect on weight performances of piglet’s after-weaning”

Zsolt Győri, Péter Balogh, László Huzsvai, Gabriella Novotni-Dankó
(University of Debrecen – Hungary)

"Effect of different composition of milk replacers (*MAT*) on the rearing performance of calves and on subsequent milk yield "

Sebastian Kockx, Bernd Fischer, Bernd Losand, Hannes Kunz, Heiko Scholz, Martin Wähner
(Anhalt University of Applied Sciences in Bernburg – Germany)

"Effects of birth type and sex on the growth performance in purebred Dorper lambs under Hungarian rearing conditions"

Nikollett Csiszár, Péter Balogh, Angéla Soltész, András Jávör, Szilvia Kusza, János Oláh
(University of Debrecen – Hungary)

"The effect of controlled internal drug-releasing (CIDR) application to synchronize estrus in herds of dairy cows"

Edyta Bauer, Justyna Żychlińska-Buczek
(University of Agriculture in Krakow - Poland)

"Some reproductive and growth traits of Akkaraman sheep in Turkey"

Güngör Ömer Faruk, Afşin Kocakaya, Halil Akçapınar, Necmettin Ünal, Ceyhan Özbeyaz
(Ankara University – Turkey)

"The effect of source of fat in the diet on the n-6 and n-3 fatty acids metabolism pathways in the body of growing pigs"

Monika Sobol, Grzegorz Skiba, Stanisława Raj, Dagmara Weremko
(The Kielanowski Institute of Animal Physiology and Nutrition Polish Academy of Sciences – Poland)

"Effects of Tasco© supplementation on equine semen characteristics"

Sarah Williams, Trinette Jones, Barry D. Lambert, Randy Harp, Daniel Weber
(Tarleton State University – USA)

"Stress response in contact with boar in relation to estradiol and LH level in weaned sows"

Joanna Grygier, Tomasz Schwarz, Maciej Murawski, Edward Wierchoś, Adam Zięcik, Paweł Bartlewski
(University of Agriculture in Krakow – Poland)

Łazienki II Resort Medical & SPA

Sekcja II Prezentacja doniesień naukowych w zakresie produkcji roślinnej, zarządzania i ekonomiki (sala Staszica)

- Otwarcie: Dr inż. Anna Baturo-Cieśniewska
(UTP University of Science and Technology in Bydgoszcz – Poland)
Dr inż. Szymon Róžański
(UTP University of Science and Technology in Bydgoszcz – Poland)

I Sesja Prezentacja doniesień naukowych

Przewodniczący: Dr inż. Ryszard Zamorski (UTP University of Science and Technology in Bydgoszcz – Poland)
Mgr inż. Anna Ziółkowska (UTP University of Science and Technology in Bydgoszcz – Poland)
Ing. Lucia Hlavačková (Slovak University of Agriculture in Nitra – Slovakia)

9.00 - 10.30

"The impact of using modern production technology in the Mondi Packaging Paper Świecie on the condition of soil environment"

Katarzyna Matuszczak
(UTP University of Science and Technology in Bydgoszcz - Poland)

"A comparison of methods for evaluating soil organic carbon as it impacts the accuracy of soil phosphorus determination"

Amber Hardy, Donald G. McGahan
(Tarleton State University – USA)

"Antioxidative enzyme activity alterations of small reddish bean induced by heat stress"

Cigdem Aydoğan, Ece Turhan
(Eskisehir Osmangazi University - Turkey)

"Agriculture and water management - necessary to mutual cooperation"

Joanna Jaskuła, Mariusz Sojka, Joanna Wicher-Dysarz
(Poznan University of Life Sciences – Poland)

"Environmental technologies deactivation, utilization and recycling of solid and liquid waste production wallpapers"

Sergey Kurta, Alexadra Voronych, Fedorchenko Sofia
(Vasyl Stefanyk' Precarpathian National University – Ukraine)

"Biodiversity response to deforestation and desertification in the Sahel: Arthropod diversity within forest fragments and the surrounding agricultural matrix"

Brandon Lingbeek, Christopher L. Higgins, James P. Muir, David H. Kattes1, Thomas W. Schwertner
(Tarleton State University – USA)

"Effect of different tillage and fertilization on dynamics of inorganic nitrogen forms in the soil under winter wheat"

Boris Václav, Peter Ondříšák, Jana Urminská
(Slovak University of Agriculture in Nitra – Slovakia)

"Remediating and revegetating and industrial dolomite waste using peat"

Agnieszka Andrzejewska, Jean Diatta, Leszek Drobek
(University of Life Sciences in Poznań – Poland)

10.30 - 11.00 - Przerwa kawowa

II Sesja Prezentacja doniesień naukowych

Przewodniczący: Dr inż. Szymon Róžański
(UTP University of Science and Technology in Bydgoszcz – Poland)
Ing. Amber Hardy (Tarleton State University – USA)
Mgr inż. Karol Bocian
(UTP University of Science and Technology in Bydgoszcz – Poland)

11.00 - 12.30

"Effect of different compost doses on the yield and quality characteristics of Alfalfa under Suluova-Amasya ecological conditions in Turkey"

Yasar Karadag, Rasim Kocyigit, Ali Unlukara, Kadir Saltali, Seda Akbay
(Gaziosmanpasa University in Tokat – Turkey)

"The effect of UV-C and H₂O₂ on the inactivation time of the microorganisms inhabiting the pig slurry"

Anna Mnich, Zbigniew Paluszak, Magdalena Kroplewska, Andrzej Wojciech Filipiak
(UTP University of Science and Technology in Bydgoszcz – Poland)

"Bacteria promoting the growth of rape in the strict field experiment"

Zuzanna Znajewska, Małgorzata Szczepanek, Grażyna Dąbrowska
(Nicolaus Copernicus University in Toruń – Poland)

"Photosynthetic activity of rape ex plants (*Brassica napus* var. *oleifera*) cultured in vitro on media enriched with iron nanoparticles"

Agnieszka Nowak, Anna Wenda-Piesik
(UTP University of Science and Technology in Bydgoszcz – Poland)

"Effective entomopathogenic fungi *Beauveria bassiana* on *Syrista parreyssi* Spin. (Lepidoptera: Cephidae) under laboratory conditions"

Dürdane Yanar, Betül Soy, Yusuf Yanar, Murat Yalçın
(Gaziosmanpasa University in Tokat – Turkey)

"Impact of the use of bio-stimulators for the release of volatile organic compounds in the cultivation of oilseed rape"

Kalka Ireneusz, Dariusz Piesik
(UTP University of Science and Technology in Bydgoszcz – Poland)

"Microscopic analysis of microorganisms in small wastewater treatment plants"

Aleksandra Sowińska, Małgorzata Makowska
(University of Life Sciences in Poznań – Poland)

"Polymorphism of microRNAs- miR156b and miR168 in regard to genome plasticity of *Linum usitatissimum* (L.)"

Lucia Hlavačková, Katarína Ražná
(Slovak University of Agriculture in Nitra – Slovakia)

Łazienki II Resort Medical & SPA

13.00 - 13.30 - Podsumowanie sesji posterowej (common to both Section) **(Foyer of the Łazienki II Resort)**

Przewodniczący: Dr hab. inż. Daria Murawska (University of Warmia and Mazury in Olsztyn – Poland)

13.30 - 14.30 - Obiad **(Restaurant of the Łazienki II Resort Medical & SPA)**

14.30 - 15.30 - Ceremonia zamknięcia Sympozjum **(Sala Pałacowa)**

- Award ceremony and honors including "Bydgoszcz Steed of Science 2015" Statue and Special Award named Professor Marian Różycki
- Handling certificates of participation in Symposium

16.00 – 18.00 - Czas wolny

18.00 - 19.00 Kolacja

19.09.2015 SOBOTA

Wyjazd studyjny do Golubia-Dobrzyń

9.00

Wyjazd z Ciechocinka (Łazienki II Resort Medical & SPA)

10.30

- **Wizyta w Centrum Chopina w Szafarnii**

The Chopin Centre in Szafarnia is a cultural institution which was founded to commemorate the stay of young Fryderyk Chopin. Gradually widening its activities, it is a place where all areas of art meet.

12.00

- **Przyjazd do zamku w Golubiu-Dobrzyniu**

Golub-Dobrzyń Castle is a four-wing conventional Teutonic castle built on the beginning of the 14th century as a defensive fortress. Erected on a hill overlooking the town, the castle belongs to the most interesting edifices of Europe.

18.00

- **Powrót do Ciechocinka**
